ADDENDUM NO. 1

May 29, 2015

The following items shall be modified from the original Request for Qualifications.

1. Modify the Section Title "Schedule" as follows:

   Deadline for questions: 6/4/15

   Response issued to any questions: 6/11/15

   Submissions due: 6/18/15

   Tentative date for interviews: TBD

   No proposals will be accepted after 2:00 PM Thursday June 18th.

2. Amend Section 2.1.1. to read:

   "Comprehensive inventory and assessment of the existing administrative technology systems, data storage and distribution and IT infrastructure, including distribution, storage, wireless and equipment, and review: incoming services (MPOE locations), campus data center, server rooms, campus cabling MDF, building technology equipment rooms, campus backbone cabling pathways, outside plant cabling and horizontal cabling. The assessment of the 'existing conditions' should not only contain detail on all aspects of the technology systems, but serve to provide the basis for short-term strategies the College could adopt to identify the operational opportunities within the existing systems, and understand fully any risks and vulnerabilities that may exist. This process may include, but not be limited to:"

ALL OTHER REQUIRMENTS AND CONDITIONS OF THE RFQ SHALL REMAIN THE SAME.
