

UPDATES & ACTIVITIES THAT MAY IMPACT CAMPUS OPERATION

Week of January 18, 2016

San Luis Obispo – Aquatics Main Pool Renovation

Work this week: Installation of the new PVC liner continues and work in the deep end is nearly complete. Concrete is in the process of being removed so that repairs can be made to the subsurface piping. One of the new boilers is being commissioned as it's heating the therapy pool.

Access: No access into the gated pool area

Noise: Minor equipment noise

Parking: Minor impact

Utilities: None

Odors: Minor impact
