

**UPDATES & ACTIVITIES THAT MAY IMPACT
CAMPUS OPERATION**
Week of January 4, 2015

San Luis Obispo Instructional Building

Work this week: The installation of the temporary construction fence is complete. The utilities have been safed-off, three modulares have been removed, and temporary construction power has been installed. Site clearing is also completed.

- Access:** No access to fenced construction zone as shown below
- Noise:** Minor equipment noise
- Parking:** Partial closure for duration of project
- Utilities:** None
- Odors:** None
- Dust:** Minor impact.
