

**UPDATES & ACTIVITIES THAT MAY IMPACT  
CAMPUS OPERATION**  
*Week of April 11, 2016*

**San Luis Obispo  
Instructional Building**

The projects Storm Water Pollution Prevention Plan (SWPPP) Best Management Practices (BMP's) were implemented and installed. The site was cleared and grubbed of all vegetation and tree stumps. Both the existing portable buildings were demolished and debris was removed. All asphalt concrete was demolished and scheduled to be removed.
