

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending June 17, 2016

North County Campus Center Project

Work this week: The utilities contractor began trenching and installation of the fire water line. The building pad has been certified, and surveyed and staked to allow the start of the building foundation excavations.

- Access:** No access into the fenced construction area
- Noise:** Moderate noise and vibration from equipment operation
- Parking:** Minor parking loss in Lot 10 for the duration of the project
- Utilities:** None
- Odors:** None
