

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending September 23th, 2016

San Luis Obispo Instructional Building Project

Work this week: Steel erection continues. Approximately one third of the building has been erected. The portion of the building that has been erected has been plumbed, lined, bolted, and partially welded.

- Noise:** Loud equipment noise due to steel erection
- Parking:** Some parking loss for the duration of the project
- Utilities:** None
- Odors:** Some welding odors
- Dust:** Moderate dust impact
- Vibrations:** Minor vibrations
- Vision:** Bright arc flashes
