

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending November 25, 2016

San Luis Obispo Instructional Building

Work this week: The mansard decking is roughly 25% complete. The HVAC contractor began installing the duct support inserts in the first-floor ceiling. The cantilever deck shoring started to be erected on Monday. Welding of structural steel and metal framing is continuing.

Noise:	Loud equipment noise due to steel erection
Parking:	Some parking loss for the duration of the project
Utilities:	None
Odors:	Some welding odors
Dust:	Moderate dust impact
Vibrations:	Minor vibrations
Vision:	Bright arc flashes
