

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending November 11, 2016

San Luis Obispo Instructional Building

Work this week: The second floor decking was completed and roof decking is nearing completion. The metal framing in the window tube steel supports on the first floor is roughly 25% complete. The concrete for the column block and the columns for the exterior stairs were put into place on Thursday.

- Noise:** Loud equipment noise due to steel erection
- Parking:** Some parking loss for the duration of the project
- Utilities:** None
- Odors:** Some welding odors
- Dust:** Moderate dust impact
- Vibrations:** Minor vibrations
- Vision:** Bright arc flashes
