

**CONSTRUCTION UPDATES & ACTIVITIES**  
*Week Ending of December 9<sup>th</sup>, 2016*

**San Luis Obispo Instructional Building**

**Work this week:** The mansard decking is currently approximately 90% complete. The electrical contractor pulled wire for the main feed from the point of connection to the transformer. The plumbing contractor is nearly finished with the installation of the waste line on the second floor. The decking and edge form for the shoring systems is also complete.

- Noise:** Loud equipment noise due to steel erection
- Parking:** Some parking loss for the duration of the project
- Utilities:** None
- Odors:** Some welding odors
- Dust:** Moderate dust impact
- Vibrations:** Minor vibrations
- Vision:** Bright arc flashes
