

**CONSTRUCTION UPDATES & ACTIVITIES**  
*Week Ending December 23, 2016*

**North County Campus Center Project**

**Work this week:** The plumbing, HVAC, and electrical contractors continue to install hanger inserts and pipe/conduit-penetration sleeves through the second floor decking. The site utility contractor continues installation of the chilled water line pipe and connecting to the existing system. The structural steel contractor and metal decking contractors continue welding of the mansard framing. The safety rail was completed on the stairs, the second floor, and the roof.

- Access:** No access into Fenced Const. Zone
- Noise:** Moderate noise from structural steel and metal deck equipment and installation operations.
- Parking:** Parking Lot 10 - Minor loss of spaces during the project
- Utilities:** None
- Odors:** Slight odor from welding operations
- Dust:** None
