

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending May 12, 2017

North County Campus Center Project

Work this week: Site work for the new entry approach on Dallons drive started this week. The plumbing contractor continues installation of the 6" welded steel chilled water lines up to the roof. The framing contractor continues framing on the first and second floors and the installation of the exterior sheathing. The mechanical, electrical, and plumbing trades continue to hang HVAC ductwork, install pipe and duct supports, run conduit, and set boxes on the first second and roof levels.

Access:	No access into fenced construction area
Noise:	Moderate noise from equipment and framing operations
Parking:	Parking Lot 10-minor loss of spaces
Utilities:	None
Odors:	None
Dust:	Minimal
