

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending July 7, 2017

North County Campus Center

Work this week: The roofing contractor has started the installation of the small single-ply roof. Plumbing, electrical, HVAC, fire sprinkler, alarm, audio visual, and access control systems' rough-in work continues. The walls are beginning to be signed off by the inspector. Insulation, drywall, windows, and door frame installation are continuing on the first and second floors. The parking lot expansion is progressing.

Access:	No access into fenced const. zone Modified Pedestrian Access around site work on Dallons Drive
Noise:	Moderate noise from equipment and framing operations
Parking:	Parking Lot 10-minor loss of spaces
Utilities:	None
Odors:	None
