

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending August 4, 2017

North County Campus Center

Work this week: The plaster contractor continues to install lath, and has installed the scratch and brown coats on several areas of the building. Plumbing, electrical, lighting, HVAC, access controls, and fire sprinkler rough in work and testing continues. Installation of insulation, drywall, drywall tape & texture, paint, windows, and doors are continuing the first and second floors, and the main entry stair handrail installation has started. The parking lot expansion, concrete curbs, and installation of underground site utilities and irrigation continues.
