

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending August 25, 2017

North County Campus Center

Work this week: The standing-seam-metal roof at the high roof is complete. Drywall, paint, and acoustical ceilings continue to progress, and the K-13 spray acoustical insulation is being installed in the main entry and the cafeteria. Rough-in electrical, plumbing, HVAC, and fire protection continues. The HVAC units were hoisted to the roof and set. The parking lot expansion is scheduled to be begin paving next week.
