

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending September 8, 2017

North County Campus Center

Work this week: Plaster, drywall, interior and exterior paint, and acoustical ceiling installation continue to progress. Electrical, communications, plumbing, HVAC, and fire protection installation and testing continues on both floors as well. Utility installation to feed the HVAC units on the roof has begun. Striping, signage and light fixture installation was complete on the parking lot expansion, and the fencing was relocated back to its previous configuration. Parking lot is scheduled open 09.08.17.

Access:	No access into Fenced Const. Zone
