

**CONSTRUCTION UPDATES & ACTIVITIES**  
*Week Ending December 1, 2017*

**North County Campus Center**

**Work this week:** A fair weather forecast allowed the skylight installation to continue, and the concrete at terrace deck was placed. The installation of the high ceiling has started, along with the continuation of the acoustical plaster ceilings. The elevator is near completion, and the tile on the second floor restrooms is being grouted. The main electrical and secondary feeds have been pulled and are being terminated along with the continuation of the low voltage CAT 6 cables. Drywall finish and painting continues and the kitchen equipment is being installed.
