

## CONSTRUCTION UPDATES & ACTIVITIES

*Week Ending January 19, 2017*

### North County Campus Center

**Work this week:** Plumbing, HVAC, electrical, acoustical plaster, communications, fire protection, drywall, glazing, tile, doors & hardware, painting, kitchen, and ceiling contractors continue to move forward on both floors of the building. The plumbers, electricians, and general-trades contractors are installing finishes in the restrooms throughout the building, and work continues on the exterior stairs. Finish grade continues ahead of the site concrete activity.

**Access:** No access into fenced construction zone  
**Noise:** Moderate noise from equipment  
**Parking:** Parking Lot 10-minor loss of spaces  
**Utilities:** None  
**Odors:** None  
**Dust:** Dust control being performed
