

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending March 23, 2018

North County Campus Center

Work this week: The casework has continued to be installed throughout the building, the handrail was completed around the second floor opening, and the carpet was able to be completed in the computer lobby area. The ceiling grid began to be installed in the Kitchen area. The glazing contractor was on site caulking around windows and door frames this week, and the site concrete contractor continued to place rebar and form their curbs.
