

**CONSTRUCTION UPDATES & ACTIVITIES**

*Week Ending August 23, 2019*

**Data Center Project**

**Work This Week:** The exterior of the Data Center has received its last coat of paint and the tile roofing is in progress. The final rough-ins (installation of all piping and infrastructure), HVAC detailing, and bracing are moving forward. The gas line for the building’s new generator was installed this week.

- Access:** Data Center job site is CLOSED
- Noise:** Noise from equipment and trucking
- Parking:** Staff parking in Lot 5 has been adjusted.
- Utilities:** No interruptions
- Odors:** None
- Dust:** Dust control is implemented, also mud track out mitigation
