

**CONSTRUCTION UPDATES & ACTIVITIES
NORTH COUNTY CAMPUS CENTER**
Week Ending May 20, 2016

North County Campus Center

Work this week: Installation of the sound fencing and panels were completed this week along with the relocation of the site fence along parking lot 10. The grading contractor continued potholing to locate existing utilities, removed the remaining utilities to be demolished, and began over-excavation of the building pad.

- Access:** No access into fenced construction area
- Noise:** Loud to moderate noise from equipment operation
- Parking:** Parking Lot 10 – Some parking stall closures
- Utilities:** None
- Odors:** None
- Dust:** Minor dust impact
