

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending August 19, 2016

San Luis Obispo Instructional Building

Work this week: The site utility contractor completed the remaining site utilities, including sanitary sewer, storm drain, and natural gas utilities. The contractor made significant progress with the installation of storm drain utilities and completed 100% of the sanity sewer system. Next week, the gas service for the new building is scheduled to be installed and the remaining storm drain piping to be completed.
