

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending of December 2, 2016

San Luis Obispo Instructional Building

Work this week: The mansard decking is approximately 25% complete. The HVAC contractor is continuing to install hanging supports in the first-floor ceiling, and the electrical contractor has begun to install their inserts as well. The cantilever deck shoring installation is complete and the decking and edge form is 20% complete. Welding of structural steel and metal framing is continuing.

- Noise:** Loud equipment noise due to steel erection
- Parking:** Some parking loss for the duration of the project
- Utilities:** None
- Odors:** Some welding odors
- Dust:** Moderate dust impact
- Vibrations:** Minor vibrations
- Vision:** Bright arc flashes
