

## CONSTRUCTION UPDATES & ACTIVITIES

*Week Ending December 16, 2016*

### North County Campus Center Project

**Work this week:** The Plumbing, HVAC, and Electrical contractors have started to install hanger inserts and pipe/conduit penetration sleeves through the second floor decking. The concrete contractor continues to install reinforcing and place concrete at the grade beams, and has formed and placed the elevator pit walls. The installation of the metal decking and structural steel components continue. Site utility installations continue south of the building.

<b>Access:</b>	No access into Fenced Const. Zone
<b>Noise:</b>	Moderate noise from structural steel and metal deck equipment and installation operations.
<b>Parking:</b>	Parking Lot 10-minor loss of spaces during the project
<b>Utilities:</b>	None
<b>Odors:</b>	Slight odor from welding operations
<b>Dust:</b>	Minor dust impact.
