

**CONSTRUCTION UPDATES & ACTIVITIES**  
*Week Ending of February 24<sup>th</sup>, 2017*

**San Luis Obispo Instructional Building**

**Work this week:** The fire sprinkler rough-in is 90% complete on the first floor. The mechanical, electrical, and plumbing contractors continue their work on the first floor as well. The exterior sheathing at the mansard roof is almost complete, and the roof hatch has been installed. Walls on the first floor have continued to be framed, and the glazing contractor has attached their angles for the exterior shade fins.

- Noise:** Some noise
- Parking:** Some permanent parking loss
- Utilities:** None
- Odors:** None
- Dust:** Moderate dust impact
- Vibrations:** Minor vibrations
- Vision:** None
