

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending September 28, 2017

San Luis Obispo Instructional Building

Work this week: Plumbing finishes were installed in the first-floor bathrooms while the installation of the ceramic tile continued in the second-floor bathrooms. The north side of the building's sidewalk formwork and rebar was laid out at the beginning of the week, and the concrete was poured on Friday. The exterior shade fins have begun to be installed on the north face of the building. Insulation and drywall has continued to be installed in the stairwell area.
