

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending October 27, 2017

San Luis Obispo Instructional Building

Work this week: Miscellaneous finishes, such as; FRP panels, whiteboards, and bathroom accessories have begun to be installed in the building. Light fixtures on the second floor have continued to be dropped into the ceiling. The underside of the concrete ledge was painted, and the exterior ceramic tile band was installed. The concrete contractor also began to lay out the formwork for the plaza area.
