

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending October 27, 2017

North County Campus Center

Work this week: The installation of the elevator began this week. The interior HVAC ductwork, electrical, interior and exterior painting, communications, data, and fire protection piping and controls are also ongoing. The contractors continue with the installation of piping, electrical and controls' wiring for the rooftop HVAC equipment. Site-finish grading, road base, drainage, site electrical and site concrete are also ongoing.
