

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending December 8, 2017

San Luis Obispo Instructional Building

Work this week: The wood benches on the second floor were stained, roller shades were installed in the exterior offices on the second floor, and the limestone treads have been placed in the exterior stair pans. The concrete in the plaza area has been completed, and the drinking fountain and kitchen countertops have been installed on the second floor. Mechanical, Electrical, & Plumbing in the ceilings has been completed on the second floor and is ready for inspection.
