

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending March 9, 2018

North County Campus Center

Work this week: The concrete contractor formed and placed concrete on the north-west and north-east corners of the building. The projector screens and marker boards have been installed. The electrician has installed his track lighting in the Fine Arts Classroom, and the ceiling contractor has continued to install the metal linear ceilings in the bookstore. The floor tile contractor placed his mortar bed in the interior stair treads and began placing it in the shower room.
