

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending April 20, 2018

North County Campus Center

Work this week: The limestone floor tile installation began this week in the first floor lobby. The asphalt road around the building was placed. The carpet floor tile was completed in the Public Safety areas. The glazing contractor was on site this week to install their door thresholds and ADA door hardware on the first floor doors. The electrical contractor is continuing to install their finish trim throughout the building. Furniture is continuing to be delivered and installed throughout the building.

Access: No access into fenced construction zone
Noise: Moderate noise from equipment
Parking: Parking Lot 10-minor loss of spaces
