

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending August 31, 2018

Aquatics Center and 1000 Complex ADA Upgrades Project

Work this week: The project’s construction team completed the majority of the foam install at the training pool. The digging of trenches for the competition pool continued. The fabric and drain piping with forms were installed along the north and east ends of the competition pool. ADA upgrades continue in building 1000 with tile continuing to be installed where fixtures were moved.
