

**CONSTRUCTION UPDATES & ACTIVITIES**

*Week Ending February 8, 2019*

**R&B Shultz Early Childhood  
Education Building**

**Work this week:** Rain early in the week created poor conditions for the earthwork that construction crew is currently working to complete. The remainder of the week they worked the ground in order for the over excavation and compaction efforts to continue.

- Access:** ECE Construction site is closed
- Noise:** Noise from equipment & trucking
- Parking:** No parking lot closures
- Utilities:** No interruptions at this time
- Odors:** None
- Dust:** Dust control and track-out mitigation performed daily
