

CONSTRUCTION UPDATES & ACTIVITIES
Week Ending March 15, 2019

Aquatics Center and 1000 Complex ADA Upgrades Project

Work this week: The construction team is continuing to work in the pool equipment room. The PEX water line system is in progress. Form work for the slot drain around the competition and teach pool is occurring. Site-electrical work in the pool is ongoing. Water proofing of the competition pool gutter has been completed and forming for the cantilever deck has begun. Reinforcing of the deck at the south east entrance of the pool site is ongoing.
