SAN LUIS OBISPO CAMPUS CENTER DESIGN PRESENTATION

 CUESTA
COLLEGE
San Luis Obispo County Community College District

Presentation Outline

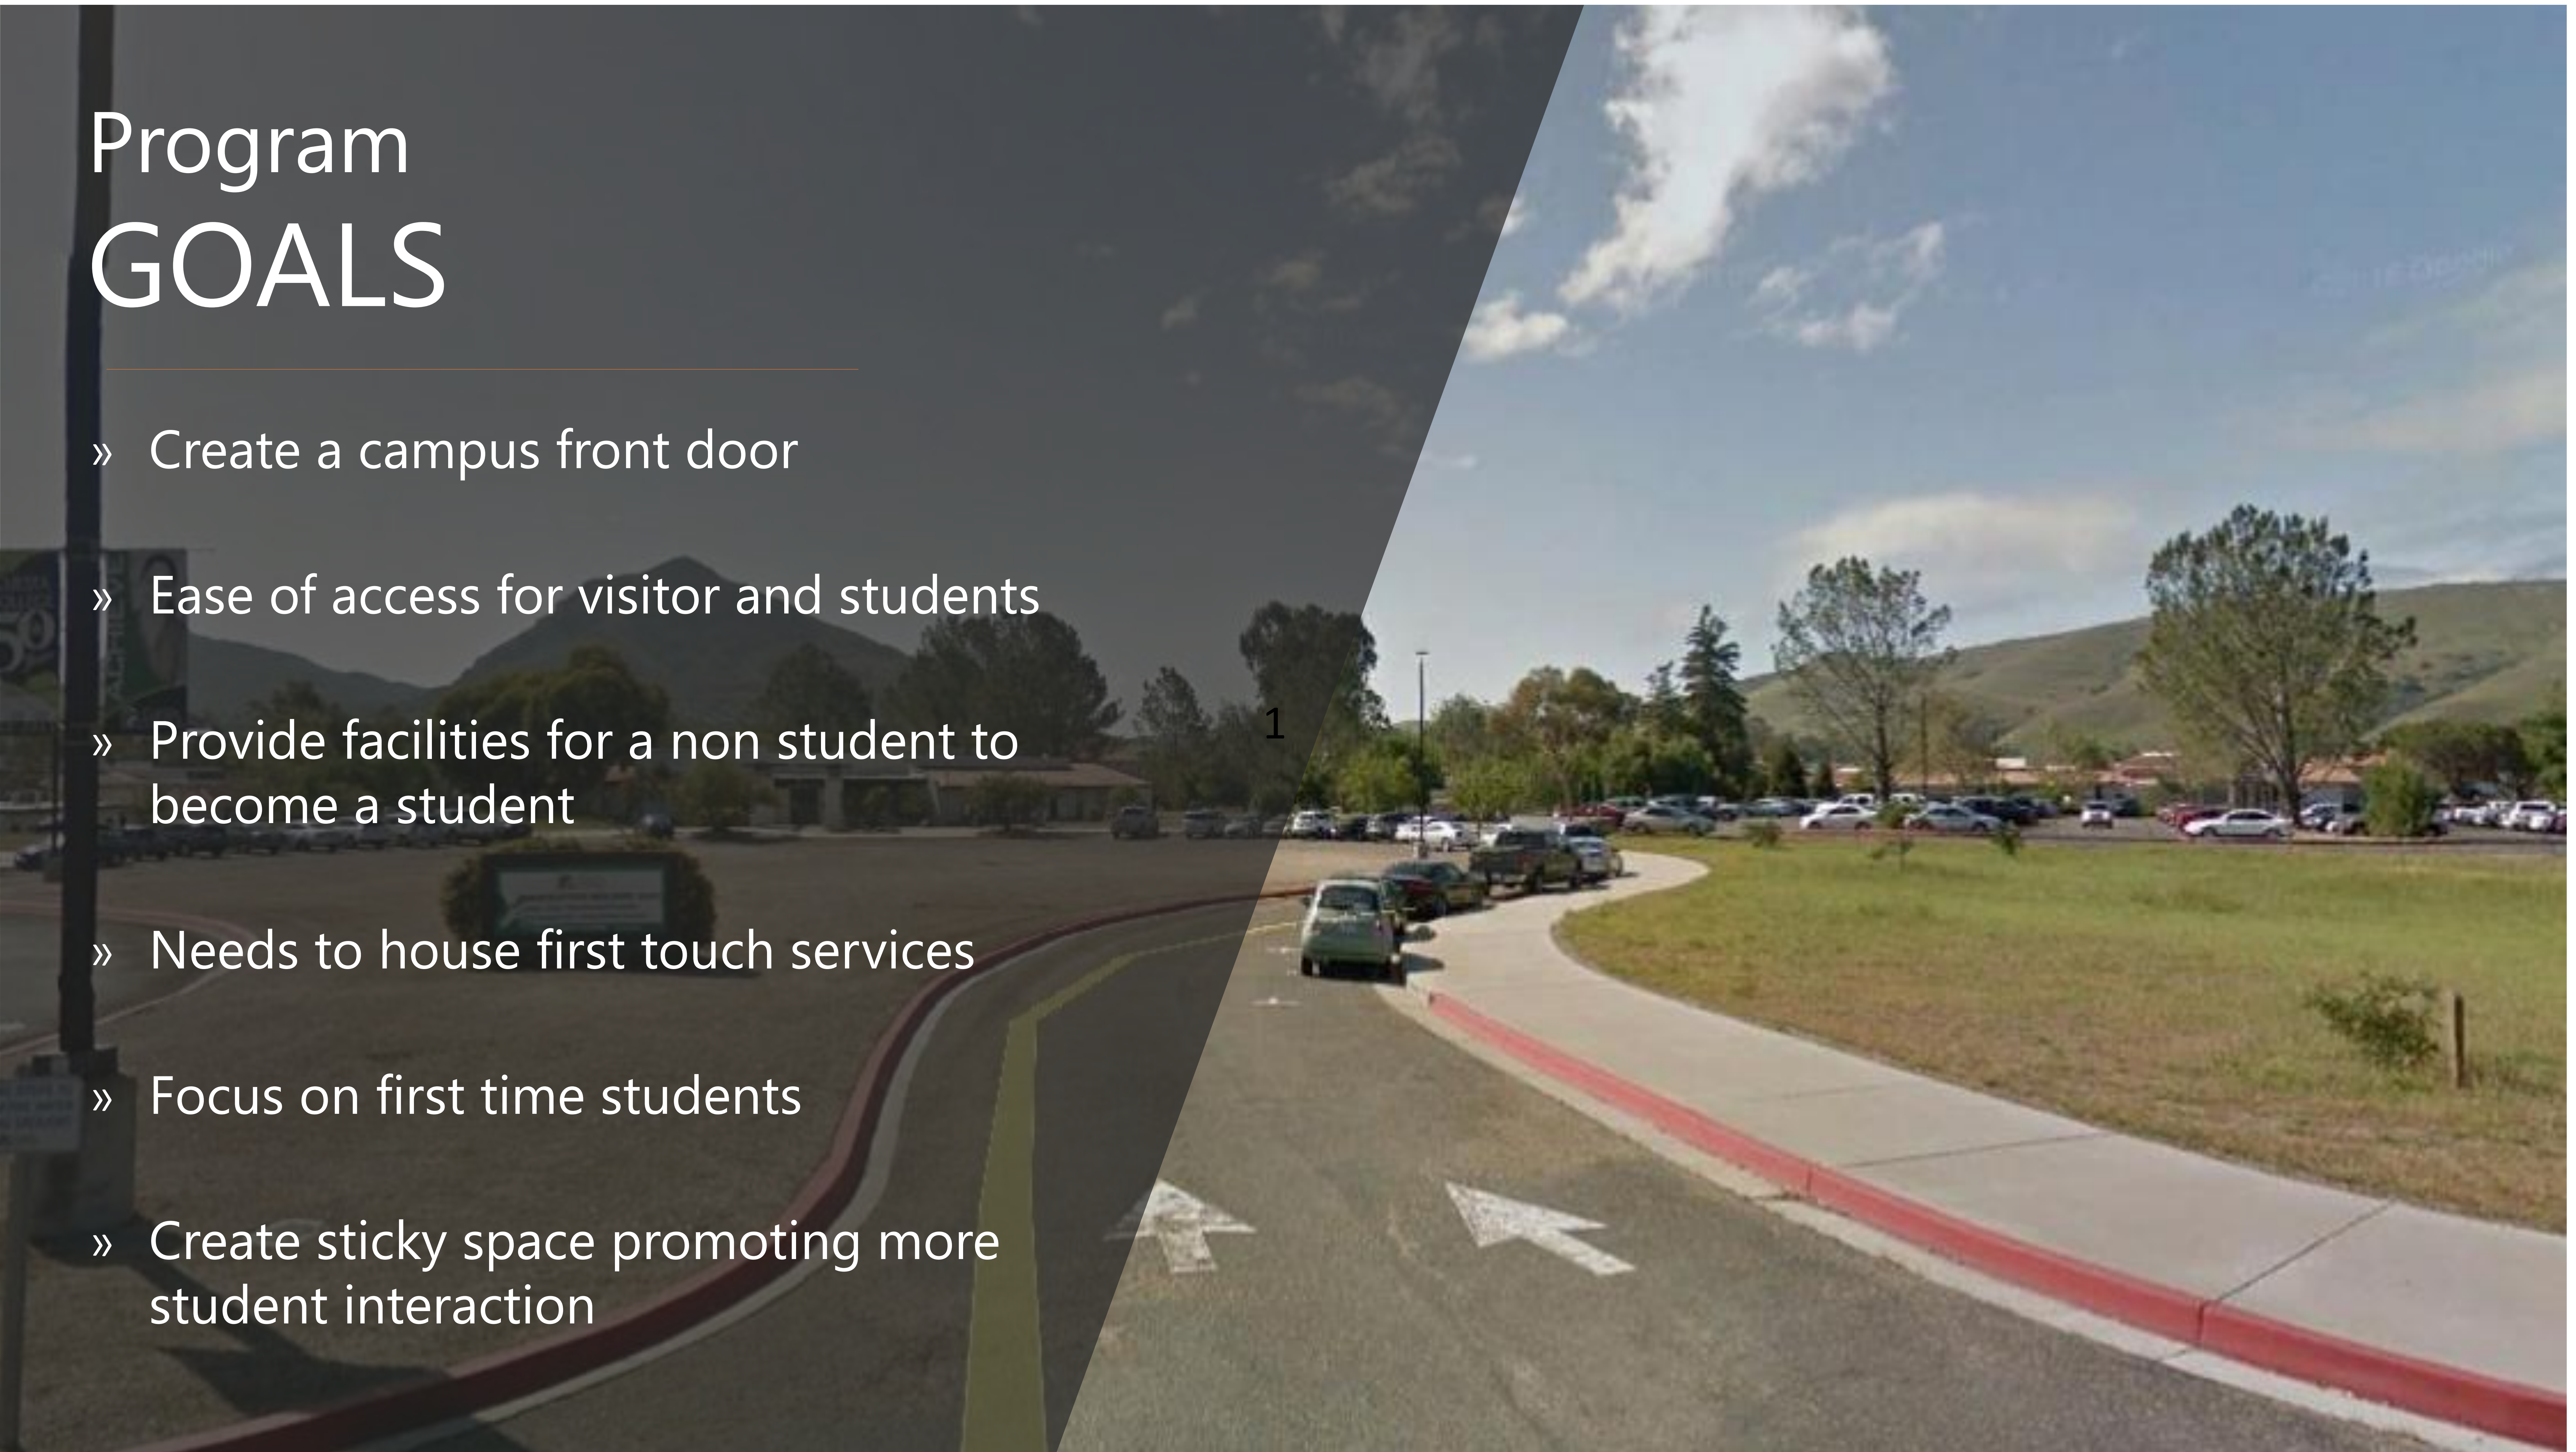

- Proposed Campus Center Location
- Proposed Site Design
- Schematic Design Floor Plans
- Exterior Views

Program GOALS

- » Create a campus front door
- » Ease of access for visitor and students
- » Provide facilities for a non student to become a student
- » Needs to house first touch services
- » Focus on first time students
- » Create sticky space promoting more student interaction

1

Design GOALS

- » Function is important
- » Clear visibility of offered services
- » Ease of access for first time student
- » Welcoming and encouraging environment
- » Visible connection to the campus through the building
- » Enhance building accessibility from campus

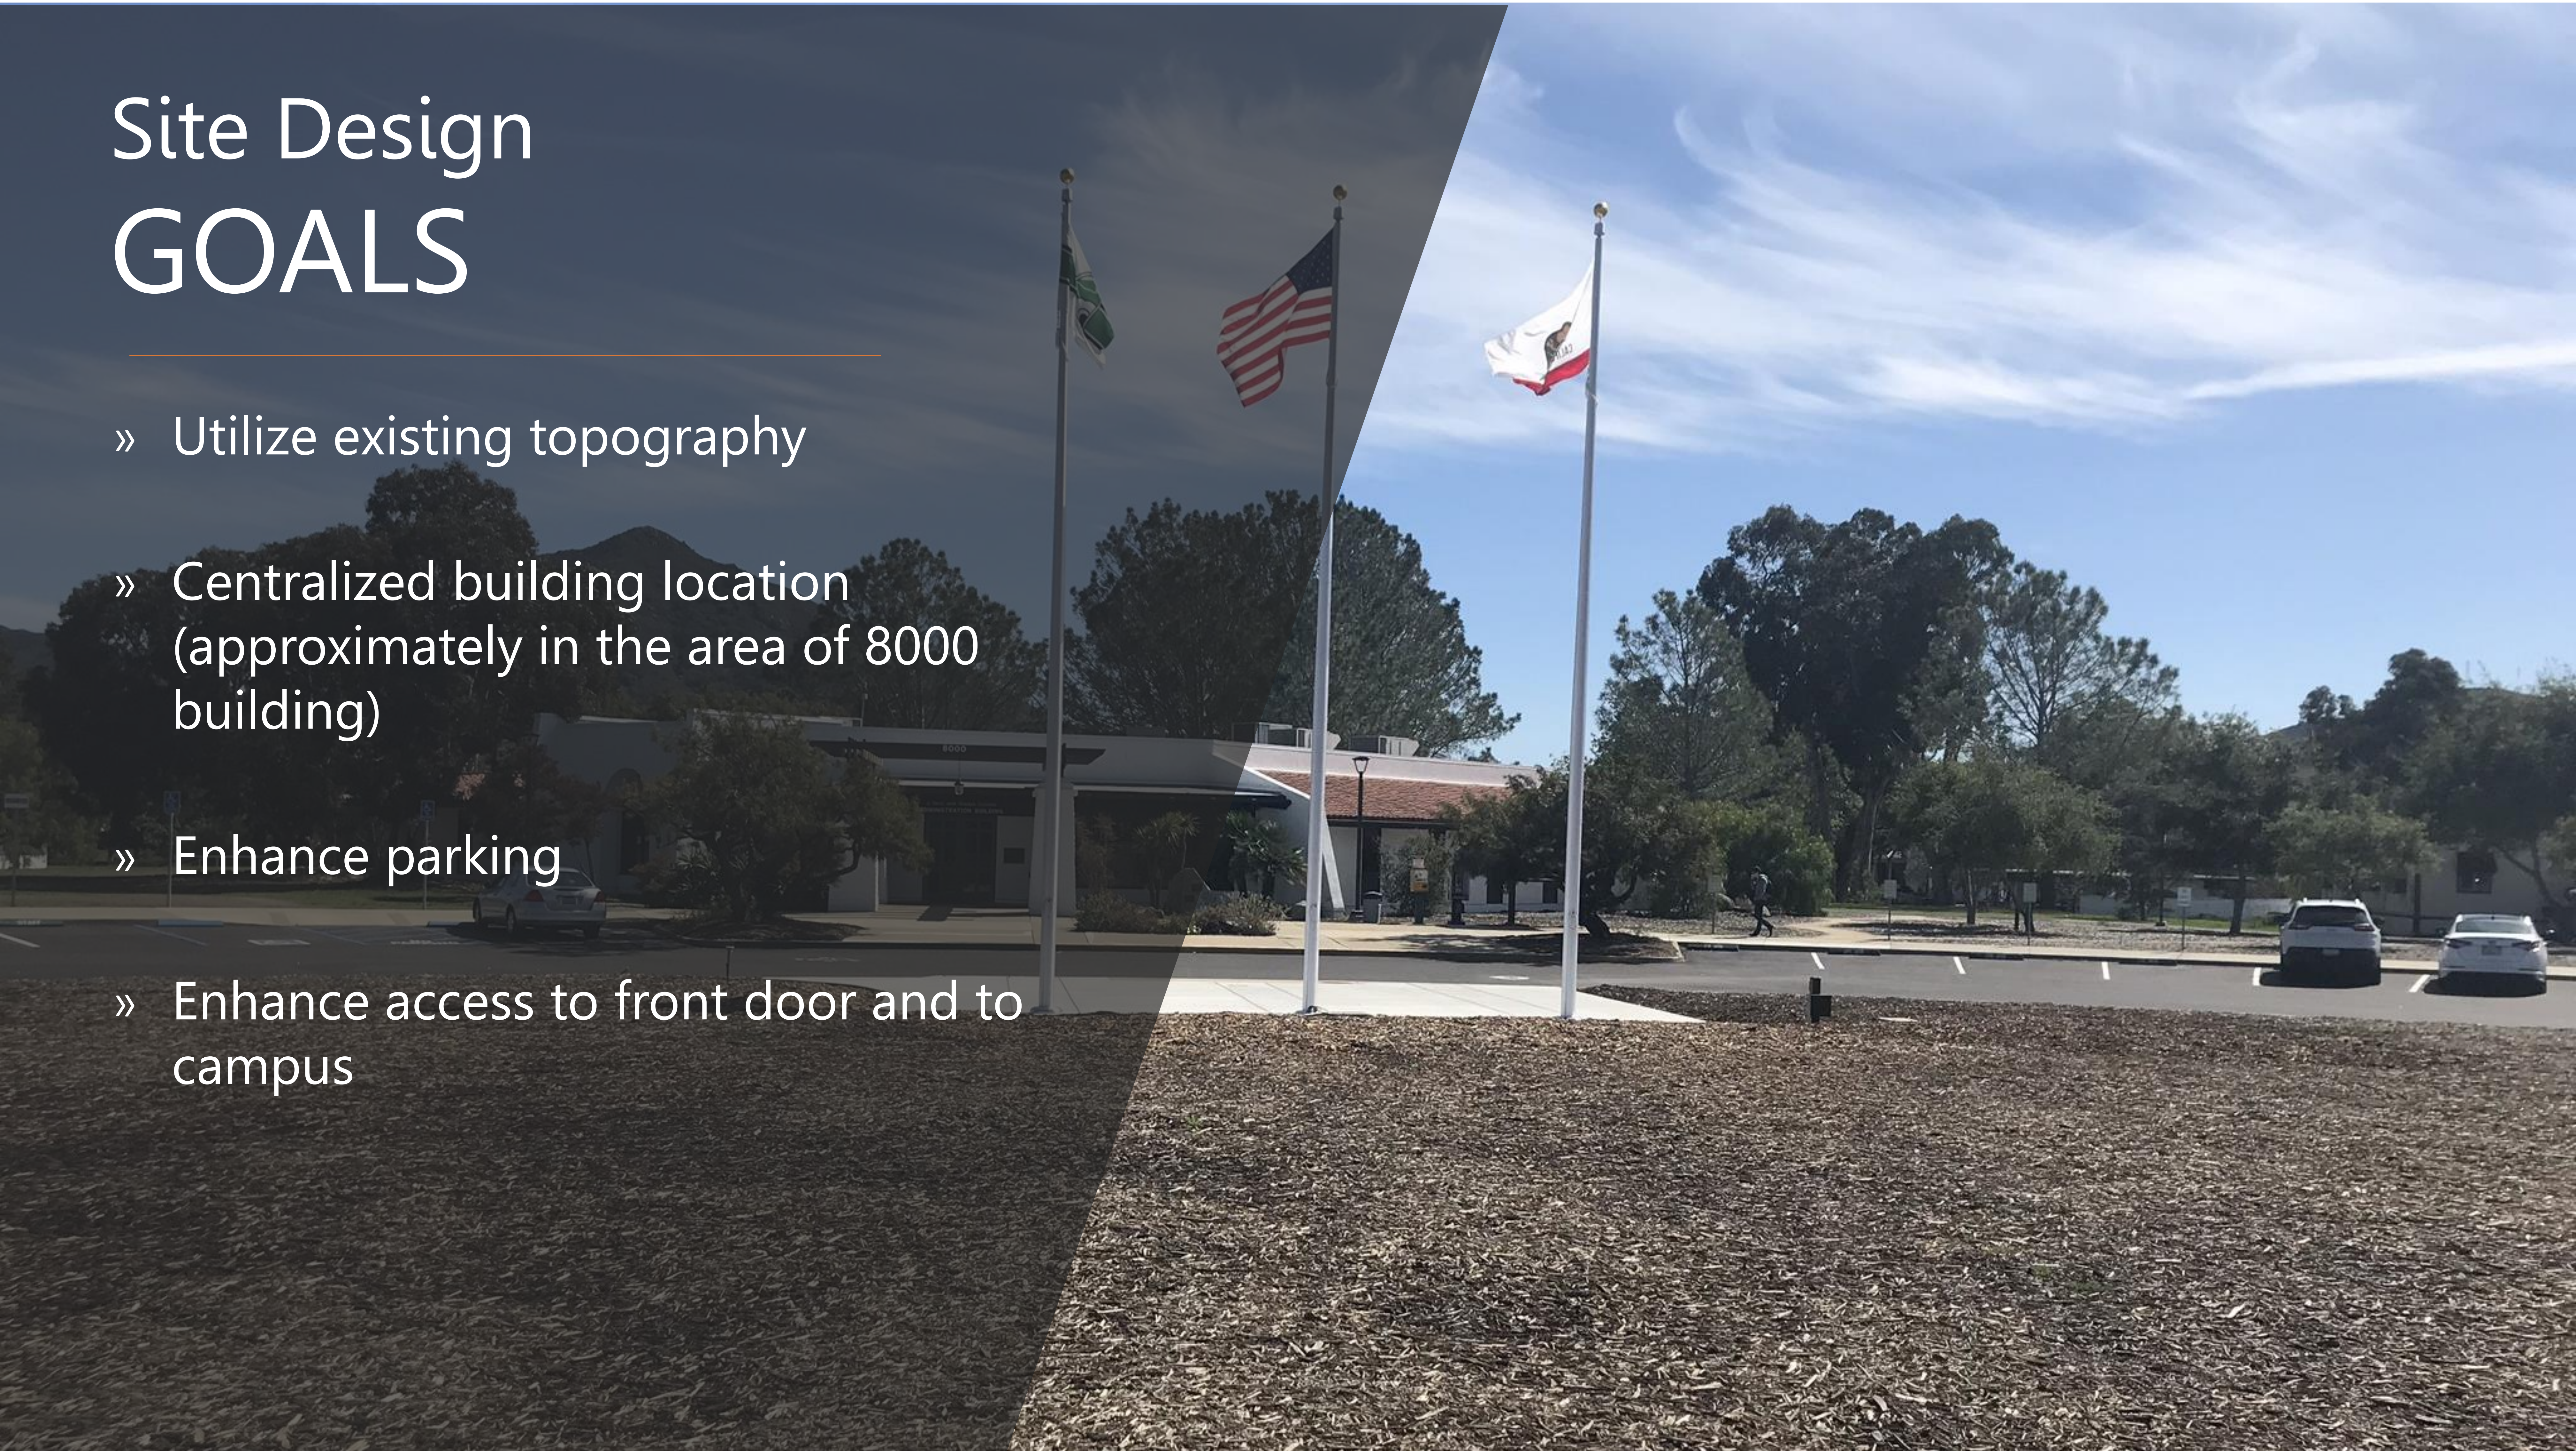

Design GOALS

- » Architectural style to complement campus Architecture
- » White Spanish colonial style
- » Contemporary interior spaces
- » Sustainability features such as natural lighting and ventilation
- » Privacy for administration services
- » Integrated noise reduction measures

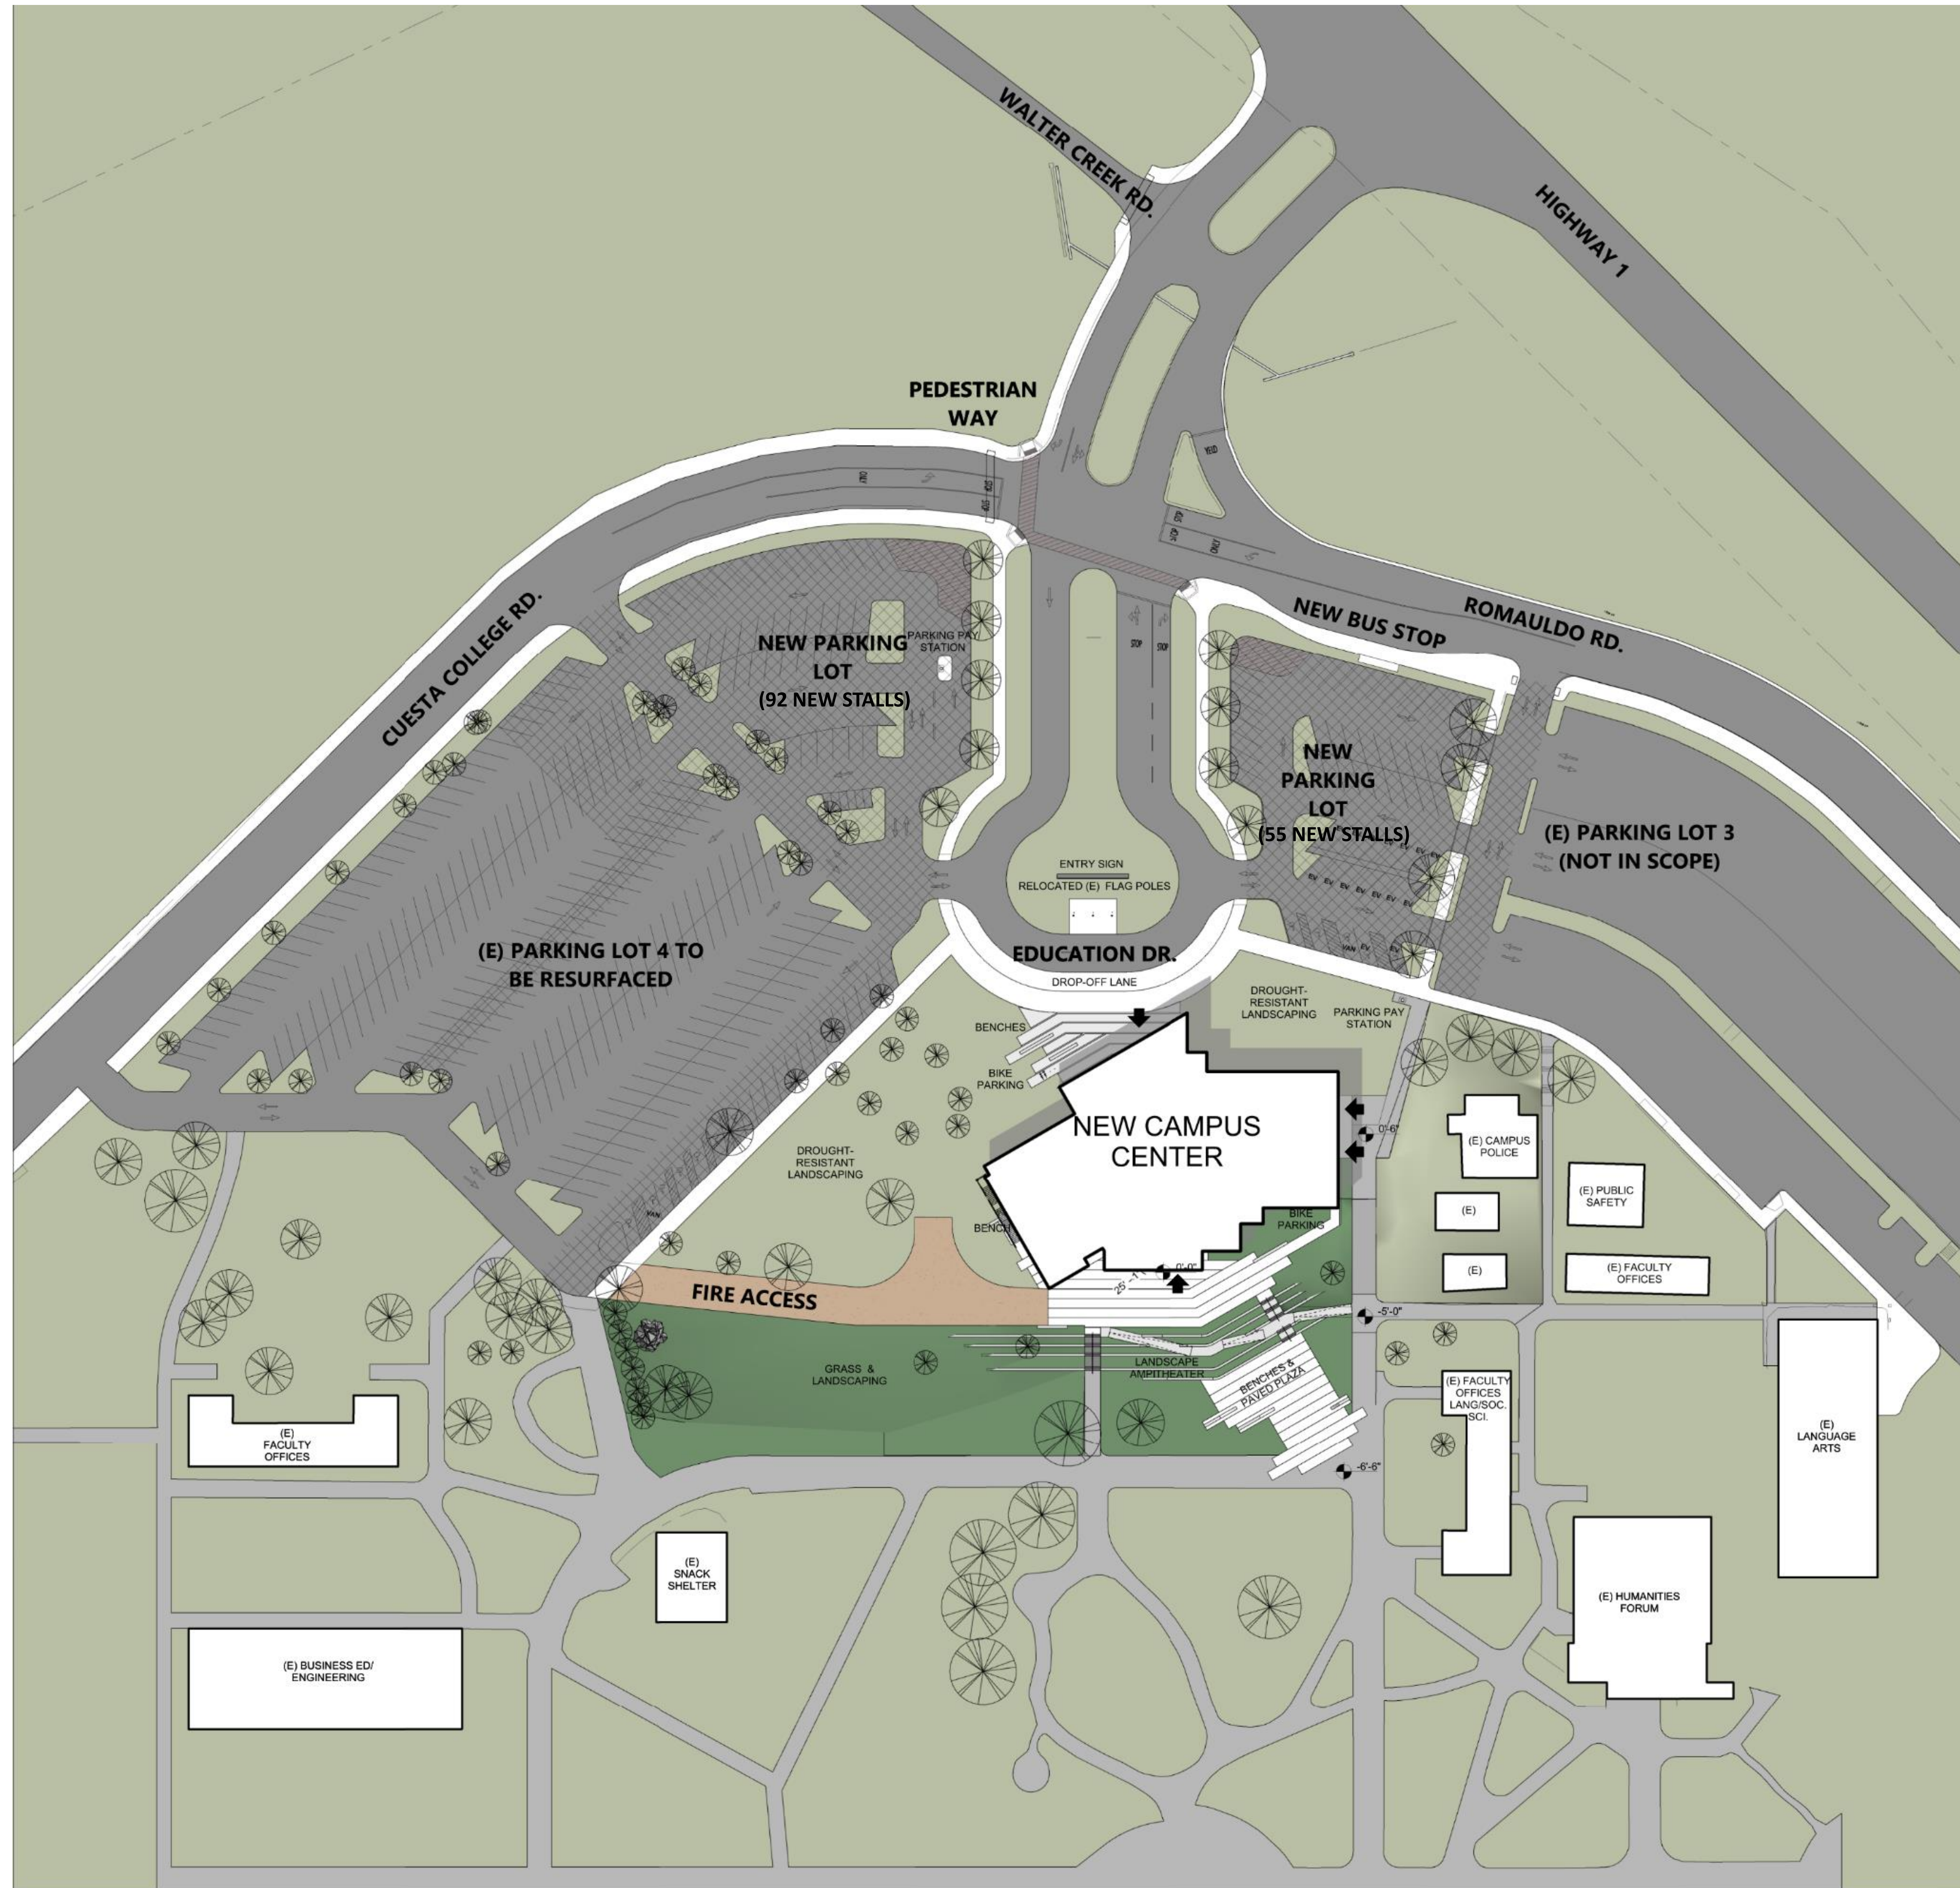

Site Design GOALS

- » Utilize existing topography
- » Centralized building location (approximately in the area of 8000 building)
- » Enhance parking
- » Enhance access to front door and to campus

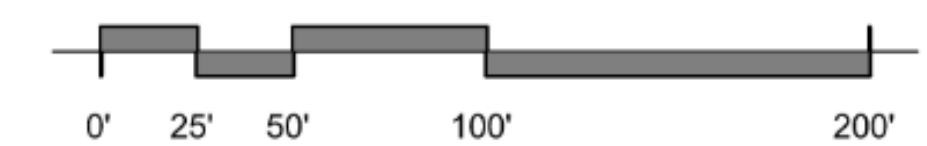

OVERALL CAMPUS SITE PLAN

SITE PLAN
