

**CONSTRUCTION UPDATES & ACTIVITIES**

*Week Ending October 20, 2023*

**SLO Directory Signage Project**

**Work this week:** The contractor began demolition of covered structures and dig footings for new signs. All structures to be demolished have been removed and the contractor has dug all footings that do not require saw cutting and concrete demolition.

- Noise:** Power tools & digging equipment.
- Parking:** No personal vehicles on site.
- Utilities:** No Impact
- Odors:** None
