

## CONSTRUCTION UPDATES & ACTIVITIES

*Week Ending October 27, 2023*

### 5300 Tile Roof Repair

**Work this week:** The contractor mobilized this week to begin the tile roof repair at Building 5300. Removal of the existing tile and underlayment has been completed and new underlayment and rolled roofing has been installed. The wire tie system is in place.

**Noise:** Power tools & lifting equipment.  
**Parking:** No personal vehicles on site.  
**Utilities:** No impact  
**Odors:** None
