

CONSTRUCTION UPDATES & ACTIVITIES

Week Ending July 17th, 2026.

Cougar Park Landscaping

Work this week: Newton Construction continued with site grading. Their surveyor also remobilized to begin restaking grades per RFI 007. Additionally, NCM has started compacting. To date, all compaction tests have passed.

Noise: Excavation equipment & power tools.
Parking: No personal vehicles on site.
Utilities: No Interruptions at this time.
Odors: None.
